

THE
BOWER
OLD ST.

The Bower Tour & social drinks

Old Street, London EC1

8th May 2019 from 4.30pm

Renowned developers Helical have kindly offered the 100 Property Club a tour of their recently completed landmark development The Bower (www.theboweroldst.com).

Comprising one of the largest regeneration sites in central London in recent years, The Bower is a mixed use 350,000 sq ft office, retail and leisure development on a 3.15 acre site adjacent to Old Street roundabout/tube station.

One of the key commercial developments in Shoreditch, the scheme is a cutting edge, modern work place, with unique office architecture and a fantastic example of what can be achieved redeveloping 1960s real estate.

Following the tour, for those who can stay, we will head to The Draft House (part of The Bower development) for drinks at 5.30 pm. (<https://www.drafthouse.co.uk/locations/old-street>).

Places are limited on this tour so please reply ASAP to secure your space.

Tickets: £10 per person
(Ticket funds to benefit the 100 Club Christmas Charity)

Please reserve me place(s) for the Bower Tour on the 8th May 2019.
