19th September 2017

Dear Mark,

I am writing to thank you for your kind and very generous gift of £7,500 which you have requested to go towards the capital appeal for our new hospice in Goldsworth Park, Woking.

We are hugely grateful for this gift and these funds will be used as requested to enable us to support the completion of this state of the art facility serving communities across North West Surrey.

Should you wish to visit the hospice at any time I would be delighted to meet you and give you a tour of the building. Please do let me know if that may be of interest.

Yours sincerely,

Phil Wormley
